656 construction	2 x 6 mm horizontal + 5 mm vertical	Commercial system
Mesh aperture	50 x 200 mm	Project alternatives
Panel width	2500 mm typical	Coordinate bay plan
Finish	Galvanized / powder coated	RAL color

Inspection Points

- Paired horizontal wire construction
- Panel flatness and dimensions
- Post and clamp compatibility
- Bundle weight and coating protection

RFQ Inputs

- 868 or 656 construction
- Panel height, width and quantity
- Post and clamp system
- Mounting method
- Finish, color and destination

Quotation Control

Typical values organize the quotation; they are not a substitute for an approved project specification. Final construction, tolerances, finish, packing, quantities and document scope must be stated in the accepted quotation and order documents.
