

Hinge-Joint Farm Field Fence

Galvanized woven field fence with graduated horizontal spacing and hinge-joint knots for agricultural boundaries.

Configuration for Quotation

Item	Typical basis	Project option / decision
Construction	Hinge-joint woven wire	Fixed knot separately quoted
Height	0.8 to 2.4 m	Line count by application
Spacing	Graduated horizontal lines	Stay spacing selected
Surface	Galvanized steel wire	Zinc class by quotation
Posts	T or Y posts	Clips and tension accessories

Inspection Points

- Hinge-joint knot construction
- Wire and graduated line schedule
- Roll height and length
- Compression, ties and pallet protection

RFQ Inputs

- Fence height and roll length
- Horizontal line count
- Stay spacing and wire
- Post and tension system
- Zinc requirement and destination

Quotation Control

Typical values organize the quotation; they are not a substitute for an approved project specification. Final construction, tolerances, finish, packing, quantities and document scope must be stated in the accepted quotation and order documents.
