Inspection Points

- Frame tube and panel dimensions
- Tube welds and mesh attachment
- Coupler, foot and brace trial fit
- Stillage quantity and loading plan

RFQ Inputs

- Panel format and quantity
- Frame tube and wire
- Foot type and couplers
- Brace and gate quantity
- Destination and fleet compatibility

Quotation Control

Typical values organize the quotation; they are not a substitute for an approved project specification. Final construction, tolerances, finish, packing, quantities and document scope must be stated in the accepted quotation and order documents.
